

Camden School Community Association

Get involved

CASCA is the school's parent and community association. It brings together parents, staff and students to:

- organise social events to build and support the Camden School for Girls community
- fundraise to enable the school to continue to offer outstanding education despite funding cuts

CASCA members organise events for socialising, having fun and raising money, including our:

- Jumble Sale
- Book Fair
- Quiz Night
- Fun Run
- Dance-a-thon
- Summer Fest
- Parents' Forums on topical issues.

Our special campaign this year is **60 for 60**, which aims to raise at least £60,000 to help furnish the new school spaces.

The funds you help to raise benefit the pupils in many different ways, and are really important in the face of national cuts to school budgets. We always agree CASCA's funding priorities with the school. Last year, our record fundraising of £50,000 helped buy a new floor and furniture for the library, new Chromebooks, music and drama productions, and trampolines for PE, as well as school trips and language teaching books.

This year, CASCA will support the school so that the newly renovated school buildings have the best possible equipment and furnishings - such as tables, chairs, kitchen equipment and display boards - to enable outstanding teaching and learning.

CASCA is run entirely by volunteers and needs parents to join in and help: we need leaders, participants, ideas, and energy!

Get involved: come along to events or contact Greg Klerkx (CASCA Chair) at gklerkx@csg.school
