

**Groundwork Apprenticeship**  
**Closing date 31<sup>st</sup> March 2017**  
**Call 0207 974 5161 to register your interest**

We have pleasure in offering an apprenticeship in Groundwork based in Camden. The successful applicant will become fully trained, qualified and competent in Groundwork. Priority given to residents in CAMDEN aged 18 to no upper age limit.

A Groundworker prepares the land ready for building. The main duties of a groundworker involve drainage, concreting, kerbing and flagging (lying kerbs as flag stones). The role of a Groundworker is to assist with the creation RC Frame and all forms of infrastructure applicable.

The Ground Worker shall be responsible for:

- Undertaking ground working – marking out excavation of foundations, structures, and placing of concrete
- Assist in drainage operations – excavation of trench, laying pipes, backfilling, construction of manholes
- Assist in Form working operations – erecting and dismantling shuttering
- Undertake concreting – placing and finishing concrete for foundation and structures
- Assist in road construction – excavation, placing and compaction of hardcore, preparation for surfacing
- Assist with the laying of kerbs and paving
- Operating items of equipment such as drills, breakers, pumps, and compressor.

**Priority given to  
CAMDEN  
residents aged  
18 to upper no age  
limit with good  
literacy and  
numeracy skills.**

Closing date Friday 31<sup>st</sup> March 2017
