

Beyond Words Book Club

I am Rosanna. I am a Creative Therapist at Elfrida Rathbone Camden.

I will be running a Beyond Words Book Club for adults aged 16+ with learning disabilities and autism. There are spaces available for 8 people to join.

We will read stories from books that have no words. We will also do some creative activities and create our own stories. The books are about important things in life like relationships, work and doctors visits.

Beyond Words Book Club
