Dear friend

## Will you help us raise 60 for 60?

Camden School for Girls is undergoing a fantastic renovation to modernise classrooms, common areas and the dining hall. But due to years of budget pressure, the school doesn't have funds to furnish these sparkling new spaces.

Here's where you come in.

Your donation of **£25** buys a new chair for the new dining hall.

Add a zero, and **£250** buys a table and a suite of chairs for a classroom.

**60 for 60 is a campaign to ensure that our school continues to be a beacon of excellence. '60' for number of years the school is celebrating at Sandall Road; and '60' for the £60,000 we need to raise by the end of 2017.**

Each **60 for 60** supporter will have the opportunity to be acknowledged on a fantastic display board in school – a powerful message of solidarity in challenging times.

If you'd like to donate to **60 for 60**, see the Camden School for Girls **JustGiving 60 for 60** page or watch out for **ParentPay** opportunities. For more information and ideas, check out the **school website** or email Greg Klerkx at **[gklerkx@csg.school](mailto:gklerkx@csg.school)**

Many thanks, we really hope you can get involved.
