

## YEAR 7 CHALLENGE

Since January, students in Year 7 have been taking part in the Year 7 Challenge. Every couple of weeks, either selected individuals or anyone in year 7, were given a particular challenge to complete and if they were successful, they would win points for their form. The form that won the most points would win a special prize. This year, it is a trip to Kidzania, Shepherd's Bush on Friday 14 July 2017.

The challenges included joining year 7 singing club, making chocolate hearts to raise money on Valentine's day, sponsored silence, writing a poem either in English, French, Spanish or Italian, solving a tricky maths problem or creating a piece of art on the theme of Camden School for Girls.

The art produced is shown below, and the winner for the maximum of 100 points was Liza in 7C. Highly commended were Tia 7C and Sabina 7R.
