

Camden School
Community Association

Get Involved

CASCA is the school's parent and community association. It brings together parents, staff and students to:

- organise social events, to build and support the Camden School for Girls community
- fundraise to enable the school to continue to offer outstanding education despite funding cuts

CASCA members organise events for socialising, having fun and raising money. Across the year we have events including:

- Jumble Sale
- Book Fair
- Table Top Sale
- Dance-a-thon
- Quiz Night
- Summer Fest
- Parents' Forums on topical issues.

The funds that you help raise benefit the pupils in many different ways. This is increasingly important when we are faced with so many cuts to school budgets.

We always agree CASCA's funding priorities with the school for the upcoming academic year.

Last year we had a special campaign, 60 for 60, which aimed to raise **£60,000** to help furnish the schools new spaces. It was an incredibly successful campaign raising in excess of **£100,000**.

We have also raised money to help transform the dining hall into a plastic free zone.

Dishwashers have been bought along with plates and cutlery to help lessen the school's reliance on single use plastic.

CASCA is run entirely by volunteers and needs parents to join in and help.

We need leaders, helpers, participants, ideas and lots of energy! It's a great way to meet people, have some fun and be part of the school community.

If you would like to get involved please come along to any of our events or contact Irene Graham (CASCA vice chair) at csg@csg.school
