Meet the businesses

Meet representatives from businesses in Camden and Islington to find out what type of jobs their business requires to operate, what opportunities there are now and in the future and qualifications that may be needed to join. We will have HR specialist on hand throughout the event to answer any questions you may have.

Taster Masterclasses

Take part in Taster Masterclasses from some of the biggest businesses in the area, where you will learn more about what they do and the job roles they require to be successful. Attendees will also have the opportunity to sign up to the Urban Partners Masterclass Initiative, which provides the opportunity to attend full masterclasses later in the year, where you'll receive in-depth insights into the different businesses and their expertise. A great opportunity to find out whether you would like to get work experience with or work for a business and will be strong addition to your CV whether you do or not!

Panel Q&A

Your ultimate chance to ask everything you always wanted to know about getting employed from leaders of some of the businesses in our area. Do they provide work experience opportunities? What qualifications do you need to work for them? What do they currently do to employ young people? This is your opportunity to ask the questions you've always wanted to know.
