

Hi Everyone! I'm Annabel from 10M and I'm running for year 11 deputy. People have often told us that 'a strong leader should have a vision'. I too have a vision, that is to provide you an approachable leadership where you are free to voice your opinions and concerns. I want you all to discover your talents and provide you with chances so that our school as a whole can truly grow onwards and upwards. I feel that I am caring, respectful but most importantly reliable. I am willing to put in effort to bring your dreams to reality and give Camden School for Girls a better future.
