

CHRISTMAS TREE FUNDRAISER

One less worry at Christmas! Pre-order your Christmas tree from CASCA!

We will have trees delivered to school by a reputable UK Christmas tree supplier that sources healthy, long lasting trees mainly from its own UK tree farms.

These trees are Nordman firs, which are bushy and soft with excellent needle retention and come with a wood block stand.

They are competitively priced and, most importantly of all, make much needed funds for Camden School for Girls.

Please return the form and make payment by FRIDAY 23rd NOVEMBER.
