Hi everyone,

My name is Martha and I would like to be your Head Girl.

We've all been through alot during lockdown - it's been lonely, tough and boring. But it's made us all realise that school isn't just about learning - it's about friends, fun and memories. So, if I were elected Head Girl, I would bring back that fun with unforgettable talent shows, an incredible pink day, clubs and an annual dance. I would also focus on mental health and exam stress, as I feel that is very important for the wellbeing of students, especially now.

But why vote for me? Well, I am already experienced, as I have been a Year 10 Deputy, and have shown my commitment to the school by running Feminist Society. I've been a Youth MP for the past 3 years, so I am passionate and can get things done. I'm friendly, approachable, and always ready to listen.

Vote for Martha, and let's make memories, not just GCSEs!
