

Curriculum Information for Parents

Year 7		
Term	Units of Study	Key homework and assessments
Autumn	Each tutor group will study topics in a different order. The topics covered will be:	Homework is set weekly by individual teachers. There is a test at the end of each topic.
Spring	<ul style="list-style-type: none"> • Introduction to working • Scientifically • Energy 1 • Forces 1 • Cells • Particles 1 	There will be a year 7 exam on all topics at the end of the summer term
Summer	<ul style="list-style-type: none"> • Acids and Alkalis (1st term) • Reproduction • Waves 1 (light) • Elements and compounds • Body Systems • Energy 2 	
Textbook	We are using online Energy 2 from Doodle, KS3 Collins text books and CGP revision guides	
How can we help at home?	It is really useful if your daughter has a revision guide (available via Parentpay) and you “quiz” her on her knowledge and understanding. Please refer to the link “ How to improve in science ” on the website for more tips.
