How can we help at home?	<p>Check their homework diary for maths homework and ensure that it is completed. If they are stuck, make sure they seek help in advance of deadline.</p> <p>When work is set on Hegarty a task will not be removed until they score 100%. Feedback is given immediately. They have the chance to do it again as many times as is needed. All tasks are supported by videos which they are encouraged to watch.</p>
