

# Welcome to CSG Learning Support

---

**THE CAMDEN  
SCHOOL FOR GIRLS**

Fun fact:

The picture used in our school logo is known as a buss - this is a small boat with two masts usually used for fishing.

It is also the surname of the person who founded the school: Frances Mary Buss

Hello my name is Janet Pringle. I am the SENDCo which means I look after students who need a bit more support with their learning - which is why we call this **Learning Support** at CSG, because we are here to do just that! My team is currently made up of 6 learning support assistants (you may have called them TAs at Primary school). You may have one helping you in some of your classes.

## The Learning support team

Here are a few of the friendly faces you may meet as part of the learning support team, either in class or 1:1 or in a small group.

Ms Ndidi

Ms George

Ms Maria

Ms Natalie

Mrs Sandhu

Ms Robinson

Ms Fulford (Learning support teacher)

## **Learning support at CSG**

Most learning support needs will be accommodated in the classroom by adapting high quality teaching approaches to meet the needs of all our students. Students with a special educational need who are struggling to make progress will have a set of learning strategies created in collaboration with parents and subject teachers that aim to help them to access classwork more effectively. These will be monitored and adjusted termly.

Students with an education health care plan (EHCP) may receive additional support from a learning support assistant (LSA) in class, and external specialists such as speech and language therapist, occupational therapist and our educational psychologist to enable them to make accelerated progress.
