December 2018

Dear Parent,

As the Autumn Term of 2018 draws to a close, I hope that your daughter has settled into Camden School for Girls and that you feel fully part of the school community as a parent. The Year Seven concert on the Thursday before we break up is always a truly joyful occasion at this time of year and we are always delighted to see you and other members of the family or friends at that event.

It has been a real pleasure for me to start to get to know the year group, with excellent reports of their participation in school activities ranging from their trip to Hillingdon at the start of the year, coming to events such as the Jumble Sale, planning and delivering Year Assemblies and being nominated by their teachers for commendations. Most students have joined at least one club; do please encourage your daughter to sample some new activities if she hasn't already done so.

We are very aware that the first term in secondary school can be an exhausting time for children as they get to know new teachers, make new friends and start learning subjects which may not be familiar from their primary school. At the same time, we hope they have enjoyed the experience and felt ready to make that transition to a larger school and to the challenges, interest and variety of the secondary curriculum. We hope your daughter will return on 7th January feeling relaxed and refreshed after the holiday.

Secondary schools sometimes seem very different from primaries in terms of parental contact with school, with perhaps fewer interactions at the school gates and more need for forward planning in terms of appointments with staff. We do want to hear from you, so please contact us by phone or email if there is any issue you would like to discuss.
