Important Information for siblings applying to Camden School for Girls in 2019

Dear Parent/Carer,

Please be advised that if you have a daughter who is currently in Year 6 and you wish to apply for a place for her in Year 7 September 2019 then she will still need to complete the banding assessment.

Siblings that apply to the school who have not done the banding assessment will not be offered a place. The onus is on the parent/carer to register their child for the banding assessment.

Registration for the banding assessment is available online at

http://www.camdengirls.camden.sch.uk/_site/custom/admissions/?pid=14

Registration will close on **Tuesday 18th September 2018 at midday**.

This information is being supplied without prejudice.
