Dear Parent,

You may be aware that schools and academies receive additional funding for children in receipt of Free School Meals. This is called Pupil Premium funding and eligible pupils are identified by the local authority. Children who have ceased to be looked after by a local authority in England and Wales because of adoption, a special guardianship order, a child arrangements order or a residence order are also entitled to claim pupil premium funding.

This funding is called Pupil Premium Plus and is currently £2300 per year per child. For confidentiality reasons, the local authority does not identify these pupils and it is for you as the parent to decide whether to disclose this information about your child to the school. Only then can the school claim £2300 in funding, which is designed to provide support to raise attainment and address the wider needs of children in this vulnerable group.

To inform the school that your child was previously looked after, please contact Ms Jenny Man, Pupil Premium Coordinator on 02074853414 or jman@csg.school

You will then need to provide supporting evidence, i.e. the Adoption (Court) Order or special guardianship order. There is no obligation for you to share this information with us, but doing so will help both your child and the school to benefit from this funding. Any information received will be treated with the strictest confidence.

Yours sincerely,

Jenny Man
