

Dear parents, carers and guardians,

I hope you are all well.

We are pleased to announce the upcoming Virtual London Careers Festival which starts on Monday 29th June through to Friday 3rd July.

This is a fantastic opportunity hosted by City of London Corporation, which is designed for primary, secondary and post 16 pupils to help connect them to the world of work and skills building opportunities. This will help broaden their horizons and enhance any future careers aspirations.

The festival will be a combination of webinars, workshops and easily accessible resources for students.

On the back of a successful festival in 2019 where over 5000 students and over 120 organisations attended, this virtual festival promises to be even bigger and better!

I would encourage you to review the full programme with your child of events and activities that they can book on <https://www.londoncareersfestival.org.uk/>

Best wishes

Mei Alvarado
