February 2022

Dear Parents/Carers,

## Re: Changes to COVID guidelines

Given the changes in government guidelines regarding COVID rules today, please find below the protocols we will be following at the school.

The department of education advises that although the legal requirement to self isolate is no longer in place, adults and children are continued to be advised to stay at home and avoid contact with other people for 5 full days and then continue to follow the guidance until they have received 2 negative test results on consecutive days.

Hence, we continue to operate as before and we would like to thank you in advance for supporting the school and keeping the school community safe.

Home testing is no longer an expectation and testing kits will only be provided for students to take home in the event of a surge in cases.

We hope you stay healthy and well and please continue to notify us if your child tests positive.

Kind regards

Kateryna Law  
Headteacher
